IMPACT: State

Summary of Legislation: This bill requires that a member of the faculty be elected as a nonvoting member of the board of trustees of Indiana's state assisted institutions of higher education. It specifies that the faculty trustee at each institution must be elected to a three year term beginning July 1, 2002, by the members of the faculty who hold the rank of assistant professor or higher (except for the faculty trustee of Purdue University, who must be elected by the faculty senate). The bill establishes a procedure for the election of the faculty trustee member at state educational institutions.

Effective Date: July 1, 2001.

Explanation of State Expenditures: Currently trustees serve without compensation, except that each member is entitled to the salary per diem as provided by IC 4-10-11-2.1 and reimbursement for travel, lodging, meals, and other expenses as provided in the state travel policies and procedures established by the Department of Administration and approved by the State Budget Agency. Members of the Board of Trustees receive a salary per diem and reimbursement for travel and lodging. Some of the Universities furnish rooms to the members for over night stay on campus so there would be no additional costs incurred for overnight lodging at some of the universities.

Assuming that each Board of Trustees meets twelve times annually, the additional cost to these seven institutions would be about \$4,200 for per diem expenses and any additional compensation for travel, lodging and copying, mailing and incidental expenses.
